Introduction

Corrival Capital Management is a trading style of P1 Investment Management Limited ('P1'), which provides the Corrival Capital Management Platform.

The Platform is an online wealth management service provided by P1 Investment Management Limited ('P1') and is only available through a regulated intermediary with appropriate Financial Conduct Authority (FCA) permissions, normally an Adviser Firm.

A Platform allows your Adviser Firm and, where applicable, your Discretionary Fund Manager ('DFM') (i.e. a firm appointed to provide discretionary investment management services in relation to your Platform Account) to invest your money across a range of Assets and Investment Accounts (such as an ISA, or General Investment Account). This is all brought together in one place to make viewing your financial position and executing transactions easier. The DFM may be your Adviser Firm if they are also appointed to provide discretionary management portfolio services in relation to your Platform Account as well as acting as your Adviser Firm, or it may be a third party DFM appointed by you (or by your Adviser firm acting as your agent) on the recommendation of your Adviser Firm. Your Adviser Firm and, where applicable, your DFM will manage this Platform Account online on your behalf, but you have access, so you can view all of your investments in one place.

Your Adviser Firm, and where applicable, your DFM have entered into a separate agreement which governs their access and use of the Platform on your behalf.

Your Adviser Firm is responsible for all the advice and financial planning services that you request and the DFM, where appointed, will manage the investments. P1 has no responsibility to review your Platform Account and does not provide advice about the suitability of any Investment Account or the investments you hold within it (unless a separate agreement is in place for P1 to provide these services).

By accepting these Platform Terms & Conditions, you agree that you will enter into a separate agreement between you and your Adviser Firm and/or your DFM, to give your Adviser Firm and/or your DFM all necessary authorisations and consents for them to act on your behalf in relation to the Platform in accordance with and subject to these Platform Terms & Conditions.

More specifically, you will authorise your Adviser Firm to:

- (a) give instructions to P1 via the Platform on your behalf;
- (b) receive from P1 information, reports and notices via your online Platform Account, which your Adviser Firm may also pass on to you as appropriate and applicable; and
- (c) instruct P1, including in respect of the transfer of Cash or Assets, to meet your settlement or other obligations and/or to transfer your Cash and Assets to another custodian of your choice.

Your Adviser Firm remains responsible for compliance and regulatory requirements regarding its own operations and the supervision of your Platform Account. In particular, your Adviser Firm remains responsible for approving the opening of Platform Accounts, money laundering/identity checks, compliance, accepting and executing transactions (unless a separate DFM is appointed or you have been granted 'execution-only' access to an Investment Account by your Adviser Firm), assessing the suitability of investments when it has a duty to do so, providing any investment advice and for managing our ongoing relationship with you. Any concerns about the suitability of your Platform Account or any Investment Account should be addressed to your Adviser Firm in the first instance.

11.4. We will not accept any liability where a sale under 11.3 above is made at a disadvantageous time, has a material effect on the balance of Assets within a Portfolio, or if you incur any tax liability.

11.5. Where we are required to sell Assets to restore your Available Cash Balance, we will:

11.5.1. sell enough Assets to restore the Available Cash Balance. If there are restrictions imposed on the number of shares units which may be sold at one time, then the number of shares/units sold may be significantly higher than is required to restore the Available Cash Balance;

11.5.2. sell sufficient Assets from the largest available daily traded Asset holding downwards (this may include Assets which have been restricted. Where insufficient daily traded Assets are held, we will sell from the largest remaining available Asset holding downwards); and

11.5.3. only sell holdings in whole shares/units and will round up to the nearest share/unit.

12. Ownership and Custody of Assets on the Platform

12.1. By agreeing to these Platform Terms & Conditions, you authorise us to direct and instruct our Nominee to carry out certain of our responsibilities under these Platform Terms & Conditions. This includes arranging

for our Nominee to have custody of your Assets.

- 12.2. Our Nominee will arrange to keep your Assets separate from our own assets and from those assets belonging to the person with whom we place the assets. As such, should P1 be wound up, any administrator should be obliged to return your Assets to you as part of the wind down process.
- 12.3. Your Assets will be registered in the name of the Nominee, who will be the legal owner, but will be beneficially owned by you at all times. This means that the Assets will continue to belong to you if our Nominee becomes insolvent.
- 12.4. Our Nominee is not an authorised person under the Applicable Law and exists only to hold Assets and does not carry out any other business in its own right.
- 12.5. We reserve the right to change our Nominee or the structure of our Nominee account in accordance with Section 28 'Changes to these Platform Terms & Conditions '.
- 12.6. Any documents relating to the custody of Assets evidencing title (or the equivalent electronic record) will not be lent to third parties or used as security for borrowing.
- 12.7. P1 accepts responsibility and liability for the acts and omissions of the Nominee and therefore P1 will be liable for any loss to your Assets where that loss arises out of the Nominee's fraud, wilful default, negligence or breach of its regulatory obligations.

13. Buying and Selling Assets via the Platform

- 13.1. We offer a variety of Assets for you to invest in that may vary from time to time including:
 - 13.1.1. Funds; and
 - 13.1.2. Exchange-Traded Assets.

13.2. Not all of the Assets available on our Platform are available on all Investment Accounts.

13.3. There are risks associated with investing which depend on the Assets in which you choose to invest. For more detailed information please refer to the P1 Key Features document as well as the relevant documentation for your chosen Assets, such as a Key Investor Information Document. Your Adviser Firm is responsible for ensuring that any Assets that you choose to invest in are suitable for you, that you are eligible to invest in that Asset and if there is anything that you do not understand or agree with, you should discuss this with your Adviser Firm before investing. The fact that an Asset is available does not imply that the Asset is suitable to your needs.

13.4. We may add or remove the Assets available to you through our Platform at our sole discretion.

14. Instructing us to buy or sell Assets

14.1. Order instructions to buy or sell Assets must be provided online via the Platform. Telephone and written instructions will only be accepted at our and usually where the order cannot be undertaken online. Please see our Order Execution Policy for more information.

14.2. Orders placed through the Platform may be sent automatically to an execution venue without being considered by any member of our staff.

14.3. When your Adviser Firm or DFM ask us to buy or sell Assets, it is their responsibility to ensure that there is sufficient Cash in your Investment Account. We are not responsible for any loss you may suffer due to a delay to the processing of your order caused by there being insufficient Cash in your Investment Account. We will only place an order on your behalf once Cash is available in your Investment Account.

14.4. Some Assets are categorised as complex Assets in accordance with

the Applicable Law. If your Adviser Firm permits you to open an Investment Account and trade without their advice you will be an execution only Client for the purposes of this Investment Account. If you wish to invest in complex Assets on an execution-only basis (ie without advice) then we are required to conduct an appropriateness test. Based on the information you provide we will assess if you have the necessary knowledge to understand the risks involved in investing in complex Assets. If we are satisfied you have the required knowledge we will execute the transaction on your behalf.

- 14.5. You agree that your Adviser Firm or DFM is authorised to provide us with instructions on your behalf. It is up to your Adviser Firm to make sure, where relevant, that an appropriate DFM agreement is in place (either between the DFM and the Client or the DFM and the Adviser Firm acting as agent on behalf of the Client) allowing a DFM to act on your behalf. We will not be responsible for deals placed by a DFM without your, or your Adviser Firm's, authority.
- 14.6. Instructions to us to buy and sell Assets on your behalf will be transacted directly with the third party concerned (e.g. a Fund manager), in accordance with our Order Execution Policy. Our Order Execution Policy is available from your Adviser Firm or on our website and is designed to ensure that we obtain the best possible result for you in accordance with Applicable Law.
- 14.7. We will exercise all reasonable professional care in the execution of deals and selection of brokers, bankers and other third parties whom we may from time to time instruct or retain and we shall, incur no liability whatsoever to you for any loss or diminution in the value of Assets. If we make an error we will correct your Investment Account for all items in excess of £5 at the earliest opportunity. We will ensure that our action to correct the matter will be fair to you.
- 14.8. By opening an Investment Account with us you consent to our Order Execution Policy. As explained in our Order Execution Policy, you authorise WBS to execute transactions on your behalf outside of an EU regulated market (such as an Exchange or multilateral trading facility) where appropriate.
- 14.9. Some orders may be aggregated and a bulk deal placed. Our Order Execution Policy governs the placement of this deal. When orders are disaggregated, there may be penny rounding differences which cannot be allocated at a Client level. Where this occurs, we will pay any such roundings to our chosen charity annually.
- 14.10. You may be able to cancel an unexecuted order on your Investment Account via the Platform. However, please note that there may be a slight delay between the order being executed and it then being removed from the list of pending deals on the Platform. It may not therefore always be possible to cancel an order shown as pending. And in that case, you may have to buy or sell the Asset again (as appropriate) and you may not get back the original value of your investment.
- 14.11. We or WBS may cancel a transaction without notice where it is believed there is a valid reason, including where we or WBS are requested to do so by a third party involved in executing a transaction such as an Exchange or a counterparty. We will not be liable for any loss you incur as a result of the cancellation in such circumstances.
- 14.12. We and WBS reserve the right to reject an order. For example, levels of trading are actively monitored and acceptance of orders from Clients who have a history of excessive trading or whose trading has been disruptive may be refused.
- 14.13. Certain Assets may have a minimum trade value. Consequently, a trade placed for less than this amount will be rejected by removing it from your Investment Account and we will

inform you or your Adviser Firm via the Message Hub on the Platform.

- 14.14. In instances where a payment to your Investment Account is unpaid for any reason, you will be held accountable for any loss that may arise due to market movement.
- 14.15. You are not permitted to trade to take advantage of Market Timing. We and our Custodian will discuss suspected Market Timing activity with relevant third parties (such as Fund managers and stockbrokers) and adjustments may be applied after trades to account for major market movements.
- 14.16. Where there is a need to fulfil due diligence under FCA or UK anti-money laundering legislation we reserve the right to defer Settlement.
- 14.17. We can only deliver Assets or the proceeds of a sale to your Investment Account when we have received these Assets or sale proceeds from the other party to a transaction.
- 14.18. Due to the time it takes for some transactions to settle in certain markets outside of the UK there may be a delay as to when we receive sale proceeds.
- 14.19. The proceeds of the sale of an Asset will usually only be paid to your Platform Account or to a UK bank account in your name. In some instances we may agree to pay the proceeds to another company appointed by you to act on your Platform Account, for example an FCA regulated company or a solicitor that operates a client money account.
- 14.20. We will place any order in good faith and will assume you have understood that money placed in Assets outside of the UK regulatory regime may not provide the same protection as those based in the UK. For further information please refer to your Adviser Firm and Section 34.
- 14.21. Our policy in respect of the use of proceeds from trades is as follows:
 - 14.21.1. Cash proceeds from confirmed (but not settled)

sales can be used both on individual and Model Portfolio orders.

- 14.21.2. For individual and Model Portfolio orders, Assets from confirmed (but not settled) buys can be sold.

We reserve the right to vary any aspect of the above policy without notice.

- 14.22. We have discretion to apply Cash to an Investment Account on a day other than a Business Day. After you have made your investment, we may have to adjust your holding (for example, on the basis of instructions received from a Fund manager or counterparty). We will not adjust your holding where the proposed adjustment is £5 or less.

- 14.23. The Contract Note will be accessible in the Message Hub on the Platform.

15. **Buying and Selling Funds via the Platform**

- 15.1. Once cleared Cash is available in your Investment Account, we will endeavour to place any trades within the next two Valuation Points. For some Funds the next available Valuation Point may be later than one Business Day after the order has been placed.
- 15.2. Some Funds available on the Platform are dual priced- the price we trade at for these Funds may be different to the price listed at a particular point in time on the Platform. It is your Adviser Firm's responsibility to research the pricing of any Funds you select.
- 15.3. Fund managers may automatically correct pricing errors and not inform us if it is below 0.5% of the Fund value. There may be some occasions when your order is sold at the erroneous price and the Fund manager will not correct the price.
- 15.4. Some Fund managers will only accept purchases or sales to the nearest decimal place as specified by them. In such circumstances there may be small residual amounts of Cash which

will be retained within your Investment Account.

15.5. Settlement of a Fund sale will take place once cleared Cash has been received from the Fund manager. Usually this will be no later than 10 Business Days following receipt of all required documentation by the Fund manager.

15.6. Please speak to your Adviser Firm for more information on specific terms relating to Fund trading and pricing.

16. Buying and selling Exchange-Traded Assets via the Platform

16.1. Settlement of Exchange-Traded Asset transactions will usually be undertaken via CREST. Each CREST transaction will normally be settled no later than 2 Business Days after the transaction date and following receipt of all the required documentation. Settlement of non-CREST Exchange-Traded Assets may take place later than 2 Business Days after the transaction date and following receipt of all the required documentation.

16.2. Some Exchange-Traded Assets may only be traded to the lot size as specified by the issuer.

16.3. We cannot accept trades that do not settle in sterling in CREST. Overseas Exchange-Traded Assets available on the Platform must have an arrangement with CREST that allows them to be settled in sterling. If a foreign exchange rate is applied to a trade, this rate will be provided by the relevant third party at the point of execution of the trade.

16.4. Settlement of Over-The-Counter trades will usually take place in accordance with the standard Settlement process (including timescales) for the Assets being settled.

16.5. Prices of Exchange-Traded Assets displayed within your Investment Account reflect the latest daily and end-of-day prices respectively. Some Exchange-Traded Assets price less frequently (eg monthly). These prices should therefore only be used as an

indicative price. We will reflect gilt prices as clean prices (prices that exclude any accrued interest).

16.6. We will actively monitor Asset price movement and apply controls such as price tolerance checking. For example, where Asset prices moves by greater than 5% from the previous Valuation Point.

16.7. We will not:

16.7.1. deal in suspended Exchange-Traded Assets;

16.7.2. accept short positions; or

16.7.3. undertake stock lending.

17. Regular Investment Option via the Platform

17.1. You can make regular monthly contributions into your Platform Account, subject to a minimum of £25 per month which can be kept in cash or automatically invested into Assets.

17.2. Regular contributions can be made on the 7th, 14th, 21st and 28th calendar day of each month or the next applicable Business Day. Partial trades will not be placed. You are responsible for ensuring your Available Cash Balance is sufficient five Business Days before a regular investment is due to be made. If your Available Cash Balance is not sufficient, your investment will not take place.

17.3. Investments will be made in accordance with our Order Execution Policy.

17.4. Regular investment instructions will continue to be executed until varied or stopped by you or your Adviser via the Platform.

18. Discretionary Fund Managers

18.1. You have the option to use a DFM to provide portfolio management services in relation to your Platform Account or a specific Investment Account.

18.2. In order for a DFM to provide these services, a DFM must be given access to your Assets via the Platform. Before they can access your Assets or place orders on your Investment Account:

- A DFM Agreement must be in place either between your Adviser Firm and a DFM (where the Adviser Firm is acting as your agent on your behalf);
- between you and a DFM; or
- between you, your Adviser Firm and a DFM (ie a tri-partite agreement).

18.3. Where appointed by your Adviser Firm, the DFM does not act for you but has an agreement with your Adviser Firm who acts as your agent and instructs the DFM in that capacity.

18.4. Your Adviser Firm must provide us with evidence of your authorisation for the DFM to access your Assets.

18.5. A DFM must also have entered into a separate agreement with us in order to access our Platform. We reserve the right to refuse a DFM access to our Platform but will not do so without having first discussed this with your Adviser Firm.

18.6. A DFM must manage Assets in line with their stated investment powers and limits outlined in the agreement that you and/ or your Adviser Firm have in place with a DFM.

18.7. You can appoint more than one DFM to your Platform Account at any one time.

18.8. If you have agreed for a DFM Charge to be paid from your Investment Account, and it is possible for us to do so, we will pay the DFM Charge directly to the DFM.

18.9. Please speak to your Adviser Firm for further information on the use of DFMs (including DFM Charges).

19. Model Portfolios

19.1. Model Portfolios may be created by your Adviser Firm (either in their capacity as your Adviser Firm or in the capacity of a DFM) or by a third party DFM. Model Portfolios can then be linked to your Investment Account and your Assets managed in accordance with the Model Portfolios. You can invest some or all of your Assets in a Model Portfolio.

19.2. You must consent to Model Portfolios created by your Adviser Firm where they are not acting as a DFM. Your consent will also be required to any periodic balancing of your portfolio to realign Funds within Model Portfolios or to any changes to the composition of an Adviser Firm's Model Portfolio or you will no longer be able to be linked to a Model Portfolio. DFMs manage Model Portfolios with discretion, as described in Section 18.

19.3. You may hold Assets in more than one Model Portfolio at the same time within your Investment Account, but where your Investment Account contains different Sub-Accounts, each Sub-Account can only invest Assets in one Model Portfolio at a time.

19.4. When operating a Model Portfolio in which you have invested Assets, your Adviser Firm (either in their capacity as your Adviser Firm or, where applicable, as a DFM) or a third party DFM may, from time to time, instruct us to buy or sell Assets. For example, they may buy and sell Assets such as Funds to realign these Funds to certain proportions.

19.5. Depending on the investments held within a Model Portfolio, and the timing of confirmation receipts across those investments, there is the possibility that clients within a model may not receive the same execution price for purchases of further investments within the same Model Portfolio, owing to such timing differences. Please refer to the Order Execution Policy for further details of our approach to the handling, aggregation & allocation of client orders.

19.6. If your Assets are no longer linked to a Model Portfolio, you will remain

invested in these Assets and no further rebalancing of Assets will take place. Your Adviser Firm can explain the implications of this to you.

19.7. Your Adviser Firm and, where appointed, your DFM, are responsible for monitoring and ensuring that any Model Portfolio matches the predetermined investment strategy and risk profile.

20. Withdrawals and transfers from your Platform Account

20.1. Any withdrawal or transfer requests are subject to the Settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much the tax, Charges or other amounts will be, we may retain an amount of Cash that we feel is reasonable and appropriate. Any remaining Cash will then be paid to you or transferred out. If payment to you results in full removal of the Investment Account balance (for both Cash and Assets), we will close your Investment Account immediately on settlement of the withdrawal. If payment to you results in full removal of the last Investment Account balance, we will close your Platform Account immediately on settlement of the withdrawal.

20.2. Subject to the Applicable Law for the Investment Account you wish to make withdrawals from:

20.2.1. you can make one-off and/or regular withdrawals;

20.2.2. regular withdrawals can be paid monthly, quarterly, half yearly or annually. They can only be paid into your Nominated Bank Account and will only be paid on a Business Day. Withdrawals must be a specified amount in sterling;

20.2.3. if there is insufficient cleared Cash in your Investment Account on the date that a payment is due to be made, the payment will not be made; and

20.2.4. you can choose how you want Income to be paid to you.

Income can be paid to you from your GIA and/or ISA:

(a) at a certain frequency (monthly, quarterly, half yearly, or annually); or

(b) upon receipt by us of the Income in your Investment Account.

20.3. You may be able to transfer out the cash value of your existing Assets with us, or your existing Assets to another provider (In-specie transfer or re-registration).

20.4. The ability to re-register Assets will depend on the receiving provider offering the exact same assets and share classes in the Investment Accounts to which you want to re-register them. We reserve the right to recover any re-registration costs that we incur in the re-registration process for example, where we have been charged by the new provider.

20.5. Transfer requests may be provided by giving instructions to us through the Message Hub on the Platform, your Adviser Firm or the receiving provider. In the event of transferring Assets from your Investment Account, you must cease all trading on your Investment Account in those Assets.

21. Corporate Actions and reports

21.1. Assets in which you invest may be affected by Corporate Actions (ie something that will bring about a change in the investments you hold). Some Corporate Actions require a choice to be made in respect of your holdings in a particular Asset, such as a Fund. This is known as an election.

21.2. Where we are aware of a Corporate Action requiring election, we will contact your Adviser Firm or DFM detailing your election options within 10 Business Days of us receiving full details of the Corporate Action. If we do not receive instructions before the election deadline, we will apply the

default option as outlined in our communication.

- 21.3. Where a Corporate Action does not require election, we will inform your Adviser Firm or DFM of the details within 10 Business Days after the effective date of the Corporate Action.
- 21.4. Where a DFM has been appointed to manage your Assets (such as in a Model Portfolio) all Corporate Action communications will be notified electronically to your Adviser Firm and the DFM.
- 21.5. If an instruction from you, your Adviser Firm or DFM, and relating to an election, requires additional payment (such as a rights issue) and there is insufficient Cash in your Investment Account, then this additional payment must be provided to us before the election deadline. Otherwise we will exercise the default option.
- 21.6. If a Corporate Action results in a change to an Asset or creates Assets that cannot be held by us, we reserve the right to return the Asset to you if the terms of the Investment Account allows this. If we cannot hold the Asset we may request that your Adviser Firm or DFM sells or switches out of the Asset before the election deadline. We also reserve the right to return the Asset to you.
- 21.7. Certain Corporate Actions (e.g. consolidations) may result in fractional allocations of shares and/or Cash distributions. Where resulting fractional entitlements are received these will be credited to your Platform Account within 10 Business Days of us receiving the cash.
- 21.8. We will not forward company reports relating to your Assets. These should be obtained from your Adviser Firm, or by yourself directly. We are also unable to pass on to you any shareholder perks relating to Assets held by you.
- 21.9. We will not contact you, your Adviser Firm, or DFM (if applicable) regarding shareholders' or unit holders' meetings or to vote. If you wish to

attend these meetings or vote, please speak to your Adviser Firm.

22. **Dividends and other Distributions from Assets**

- 22.1. Income generated by Assets will be collected by us and paid to your Investment Account,
- 22.2. We will pay any Income in to your Investment Account within 10 Business Days of us receiving both the cash and a valid tax voucher.
- 22.3. If you hold non-UK Assets, we will not reclaim any withholding tax deducted on the income.
- 22.4. As required by the Applicable Law, we will where applicable report any Income received from your Assets to HMRC.

23. **Charges**

- 23.1. Charges applicable to your Platform Account will depend on a number of factors including:
 - 23.1.1. the value of your Investment Account(s);
 - 23.1.2. the Investment Account(s) in which you invest;
 - 23.1.3. the Assets in which you invest; and
 - 23.1.4. the terms of your agreement with your Adviser Firm; and
 - 23.1.5. the terms of your agreement with your DFM (where applicable).

For details of the latest Charges applying specifically to your Platform Account please speak to your Adviser Firm.

- 23.2. Our charges are set out in the P1 Account Charges Schedule available on our website and form part of these Platform Terms & Conditions. Our charges may be subject to change. For details on when we may change our charges and how we will notify you, please see Section 28 - Changes to these Platform Terms & Conditions.

This will not affect any of your rights to close your Platform Account.

- 23.3. We apply our charges on the value of the total Assets and Cash held in your Platform Account, this includes any Assets suspended from trading. See Section 31.18 for how we value suspended assets.

24. Adviser Firm and DFM Charges

- 24.1. You must agree with your Adviser Firm the amount you will pay them for advice and other services they provide to you. You must also decide whether any Adviser Firm Charges are to be deducted from your Platform Account (which we will only do where you have agreed this), or settled directly between you and your Adviser Firm.

- 24.2. You may have agreed with your Adviser Firm to use a DFM to manage your Assets. There may be an additional Charge for this. This DFM Charge will be agreed between you, your Adviser Firm and your DFM (where your Adviser Firm is not also providing these services). We will deduct any initial or ongoing DFM Charges you or your Adviser Firm (acting as agent on your behalf) have agreed from your Platform Account.

- 24.3. If you have a Platform Account from which Adviser Firm Charges and/or DFM Charges are being taken but it no longer has sufficient value to pay these Adviser Firm Charges or DFM Charges, we reserve the right not to pay these Adviser Firm Charges or DFM Charges. You will still be responsible for paying those charges to the party concerned.

- 24.4. If you die, Adviser Firm Charges and DFM Charges will continue to accrue on your Platform Account until we receive an original death certificate. For further information please refer to Section 29 – ‘Ending this Agreement’.

25. Other Charges

- 25.1. Other charges may include Fund Charges, and Exchange-Traded Asset Charges. Please speak to your Adviser Firm for further information.

Charges - Funds

- 25.2. A Fund manager may apply a bid/offer spread or initial charge, an Annual Management Charge, an exit charge on leaving the Fund and other fees. These Charges are usually deducted directly out of the Assets within the relevant Fund.

- 25.3. Adjustments may need to be made after the sale of a Fund has been executed. For example, a Fund manager may apply a Dilution Levy to the withdrawal from a fund. Under these conditions, we will contact you to explain any such further Charges being applied.

- 25.4. If a Fund in your Investment Account is small, any Charges relating to the Fund may have a disproportionate effect on the value of the Fund.

- 25.5. For further details of Charges applied by Fund managers, please refer to their literature or speak to your Adviser Firm.

Charges - Exchange-Traded Assets

- 25.6. Charges may be applied such as Stamp Duty Reserve Tax (SDRT) and the Panel On Takeovers And Mergers (PTM) levy. For further details of Exchange-Traded Asset Charges please refer to the Exchange-Traded Asset literature and your Adviser Firm.

How Charges are taken

- 25.7. You must hold sufficient Available Cash Balance (see Section 11) in respect of each Investment Account in order to meet Charges.

- 25.8. Where the Available Cash Balance within a specific Investment Account has not been restored and there are insufficient available Assets to cover Charges due, you will be personally responsible for covering the payment of these Charges.

- 25.9. This means you must settle our charges immediately following notification by us of the amount outstanding. Where you fail to do so we may cancel, terminate and/or suspend your Platform Account with you without any liability to you. If we need to take legal action against you

for the recovery of our charges, then you will be liable for any expenses incurred by us in doing so. This includes any legal fees.

- 25.10. All P1, Adviser Firm and/or DFM Charges that we have deducted from your Investment Account will be reflected on your Valuation Statement. However, you may have agreed to pay additional charges for services about which we are unaware. You should consult your Adviser Firm to understand all charges and fees for which you may be liable.

26. Taxation

- 26.1. We do not provide you with any legal, investment or tax advice. Please refer to your Adviser Firm or other suitably qualified professional for advice specific to your individual circumstances.

- 26.2. You will be wholly responsible for your tax liabilities. Levels of taxation and tax relief are subject to change.

- 26.3. We are required under Applicable Law to collect certain information about your tax residency. We may be obliged to share this and other Platform Account information with HMRC who may transfer this information to the government of another territory where the UK has entered into an agreement with them to do so.

- 26.4. Except where explicitly stated, all P1 Charges are deemed inclusive of any taxes that may apply. It is your Adviser Firm's responsibility to confirm whether VAT is to be applied on Adviser Firm Charges paid from your Platform Account to them. Similarly, where applicable, it is your DFM's responsibility to confirm whether VAT is to be applied on DFM Charges paid from your Platform Account to them.

- 26.5. Where applicable, we will provide you with a consolidated tax voucher each year, based on our understanding of current law and regulatory requirements. We will endeavour to do this within 90 days of the previous tax year end. This may assist you with completing your tax return but please

note that it is your responsibility to calculate your tax liabilities accurately and ensure that they are paid. Please refer to your Adviser Firm for further details and advice.

- 26.6. Should you hold overseas Assets, it remains your, or your Adviser Firm's responsibility to ensure that you understand the tax position for your chosen Assets.

- 26.7. We will not accept responsibility for not receiving a reduced rate of withholding tax as a result of incorrect or incomplete documentation.

27. Ending your agreement with your Adviser Firm/ Discretionary Fund Manager

- 27.1. If you change your existing Adviser Firm you must notify us. Any new Adviser Firm appointed by you must sign a separate agreement with us before we allow them to access and manage your Platform Account. We retain the right to refuse access to the Platform to a new Adviser Firm appointed by you.

- 27.2. We will classify you as a "Client without an Adviser Firm" where it has come to our attention you no longer have an Adviser Firm who is appropriately authorised to operate your Platform Account. This could be where, for example,

- 27.2.1. Your agreement with your Adviser Firm ends, and you no longer have an Adviser Firm; or

- 27.2.2. Your agreement with your Adviser Firm ends, and your new Adviser Firm does not have a separate agreement with us to operate Clients on the Platform; or

- 27.2.3. The agreement between us and your Adviser Firm has been ended.

- 27.3. Becoming a Client without an Adviser Firm has the following consequences:

- 27.3.1. We will contact you through the Message Hub on the

- Platform confirming that you do not have an Adviser Firm and restrict your Platform Account so that you cannot buy any Assets and confirm the options that are available to you;
- 27.3.2. We will require you to complete an appropriateness questionnaire should you wish to sell an Asset that is defined by the FCA as a "complex investment" - see Section 14.4.
- 27.3.3. We will stop paying Adviser Firm Charges from your Platform Account. You may still be liable to pay the Adviser Firm for any advice you have received and you will need to settle this with them directly;
- 27.3.4. If you are invested in a Model Portfolio, this will end (see Section 19.6).
- 27.4. Our Platform is designed to be used by Clients who receive financial advice from an Adviser Firm. Where permitted and where you sell Assets without the advice of an Adviser Firm, you take sole responsibility for this action and accept and acknowledge the risks involved in these transactions.
- 27.5. It is important that you understand we are not responsible for assessing whether our Platform, Investment Accounts, transactions, or Assets are suitable for you – this is the responsibility of your Adviser Firm, or where your Adviser Firm permits you to trade without the benefit of their advice, this will be your responsibility.
- 27.6. We also, in accordance with Section 14 – ‘**Instructing us to buy or sell Assets**’, reserve the right to reject an order.
- 27.7. If a DFM has been appointed to your Platform Account, they will continue to have authority to operate your Platform Account until:
- 27.7.1. your death;
- 27.7.2. you or your Adviser Firm ends this authority;
- 27.7.3. we end the authority of the DFM, or Adviser Firm to operate Investment Accounts on our Platform; or
- 27.7.4. the DFM ends their relationship with us, you, or your Adviser Firm.
- 27.8. In the event of a DFM or Adviser Firm no longer being associated with your Platform Account, we will stop paying DFM Charges from your Platform Account to the DFM. You may still be liable to pay the DFM for any service you have received.
- 28. Changes to these Platform Terms & Conditions**
- 28.1. We may change the terms of these Platform Terms & Conditions, including our charges, from time to time in whole or in part. We can do this for the following reasons:
- 28.1.1. to conform with any legal, regulatory, FCA Rule, HMRC Rule or code or practice requirements or industry guidance;
- 28.1.2. to reflect any decision or recommendation by a court or the Financial Ombudsman Service;

However, if you have asked us to invest your Cash in Assets, you may get back less than you have invested and if there is any gain in the value of your Assets up to the point at which you cancel, this gain will not be returned to you.

Once you have cancelled you may still be liable to pay your Adviser Firm for any advice received and/or DFM for any services provided to you. This may include outstanding Adviser Firm Charges which we have not yet deducted from your Platform Account Adviser Firm and that you will need to settle with your Adviser Firm directly.
